My fellow Promoters, after more than fifty years as a concert promoter, and emcee for some of America's largest concerts. Having worked as an agent with the finest talent agency in the Nashville, Tennessee, booking some of the best Artist in America. I believe this qualifies me to make the following statements.

Riceville, Tennessee is the home of Carla Jo Carr, one of the most talented female artist in music. I have worked with Carla Jo for years in concerts. This young lady has a solid sound with a powerful voice and a sincere genuine desire for her music and concert appearances. Gaining immediate national exposure in Gospel music, to hear her is an experience and unforgettable. Her powerful vocal sound and high-energy performance leaves you with a feeling of some extraordinary talent. Carla Jo is quickly gaining the reputation of giving topnotch concerts.

In my opinion any promoter looking for professionalism and extraordinary talent, should look no further than Carla Jo for stage performance. I highly recommend the gifted Carla Jo Carr for all of the above.

Sincerely,

S.T. (Mack) McGinnis
